

Julie Staggs
Academic Innovation

Dr. Julie Staggs is a Strategic Advisor for Academic Innovation at iThrive and Founder of Beyond Theory to Practice. She partners with colleges and universities on academic strategy, leadership development, curriculum innovation, and organizational alignment—helping institutions translate mission into measurable outcomes and sustainable impact. She teaches in graduate leadership and MBA programs. She earned her doctorate in higher education leadership and Executive MBA from the University of Georgia, and her bachelor’s degree from Converse College.
