Jacob Groshek
Academic Innovation

Dr. Jacob Groshek is a Strategic Advisor for Academic innovation at iThrive. His work bridges curriculum architecture, emerging media, and AI-enabled learning systems to help institutions translate research, technology, and workforce signals into future-ready programs. He serves as Visiting Scientist in the Digital Wellness Lab at Boston Children's Hospital / Harvard Medical Teaching College and is Chair of Emerging Media Research at Kansas State University. He holds a Ph.D. from Indiana University, with prior degrees from Marquette University and the University of Wisconsin–Stout.
